

## Schedule of Voluntary Contributions and Charges 2023

Dear Parents

The Nedlands Primary School Board has endorsed the schedule of Contributions and Charges for 2023. The schedule is broken into three sections and will allow you calculate all costs that may be incurred throughout the school year.

### **1. School Voluntary Contribution - \$60.00 per student per year**

The total amount of contribution parents/caregivers are being asked to pay is set at \$60 per student which is in line with the School Education Regulations 2001.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to supplement the funding gained from other sources, including the State and Commonwealth Governments.

<b>Learning Areas</b>	
The Arts – Music / Art	\$10
English / Library	\$15
Mathematics	\$15
Humanities & Social Sciences	\$ 5
Science	\$10
Physical Education	\$ 5
<b>Total Contribution</b>	<b>\$60</b>

### **2. Voluntary Approved Request**

Other Voluntary Approved Requests at Nedlands Primary School include: -

- 1) Digital Technology – This cost assists with the provision of digital technology resources for the students.
  - Kindergarten - \$15.00
  - Pre Primary to Year 6 - \$25.00
- 2) Pool Voluntary Contribution, which has been set at \$25 per child for 2023 (PP to Year 6).
- 3) P & C Voluntary Contribution, which has been set at \$80 per child for 2023.

The P&C supports the school to offer a large range of services, programs and resources that are far in excess of what the school could offer with only the \$60 School Contribution and Government funding. Examples of this support includes the building of the Altius Centre, financial support for iPads, notebooks and robotics, Mathletics program, classroom computers and Interactive White Boards, managing the School Pool, new Reading texts, funding for all the playgrounds, supporting events and activities.

A 1:1 iPad program commences at Nedlands Primary School in Year 4 to 6. Important information about this program will be communicated to parents and caregivers separately. It is anticipated that each student device will cost approximately \$500. Although we have planned to access free apps for the majority of the curriculum, occasionally parents may be required to purchase a low cost app for your child's device. Participation in this program is voluntary, however strongly encouraged.

The charges schedule below shows the costs associated with special programs, excursions and other optional activities. The amounts shown are the **maximum** charges for scheduled activities throughout the year. There are two types of charges: charges for Educational Activities and charges for Specific Programs.

Each child will be engaged in a variety of activities associated with educational programs (e.g. excursions, visits, swimming) Charges for these programs vary from year group to year group depending on the nature and range of activities undertaken.

**Notes:**

- Statements will be sent home at the beginning of the new school year. You will note we have added the incursion/excursion and sporting excursions amounts to the total to ensure you have to make only one payment at the beginning of the year. Please remember, your child's account will only be charged for an excursion **if they attend**. We are very happy to make instalment arrangements if you would prefer. Please contact our Manager of Corporate Services if you would like to do so. Unused monies will carry forward to the next year's account as a credit, or be refunded if you leave the school.
- We would appreciate payment by 3<sup>rd</sup> March, 2023
- Personal items can be purchased from any supplier and school uniforms are available from the school's uniform shop.
